

What does it mean to be a patriot?

Patriotism to me is one having the feeling of love and respect for our country. Patriots love their country unconditionally and are proud of it. Soldiers show true patriotism by living for the improvement of our country, serving it in every possible way and willing to sacrifice ones life whenever there is a need. As a patriot child, I stand beside my dad who is a soldier and I always support and thank him for what he does, so that we can be free here in the United States of America. There are many words that pop in my mind when I think about being a patriot, such as pride, freedom, liberty, sacrifice, courage, integrity, and honor. As a patriot child, I've learned the importance of praying for our soldiers, country, and world. All the soldiers past and present who have fought for our freedom, along with all the first responders whom lost their lives in 9/11, ARE ALL EXAMPLES OF HEROES AND BEING A TRUE PATRIOT!

John 15:13

There is no greater love than this - that a man should lay down his life for his friends.
God bless America, one nation under God!
